**Coleman Grands
Win Exhibition
Games**

While waiting for the dates to be set for the finals of the Alberta - B. C. intermediate league against Kimberley, the Coleman Grands are keeping in shape by playing exhibition games.

On Wednesday, March 2, the Grands were hosts to the Lethbridge ROEMEs and won handily 8-5 in a fast and clean game.

Lethbridge went ahead 1-0 in only 1 minute and 5 seconds of the first period. The Lethbridge squad had difficulty adapting themselves to our ice. They played on one of the smoothest sheets here this winter. The Grands, used to natural ice, put on the pressure and forged ahead 4-1 by the time the first frame had ended on goals by McDonald, Belter and Lee.

In the second period the Lethbridge sextette pulled within one goal of the Grands by scoring two and holding the Grands scoreless. The local boys came back strong in the third period and outscored Lethbridge 4 to 2. The big guns for Coleman were starly centre Ted Kryczka, who blinked the light for a hat trick and assisting in two more, and Belter, with a pair of goals and assists. Singletons went to Tarcon, McDonald and Lee.

High scorer for Lethbridge was Gray, who tallied for four of his team's five goals.

SUMMARY:

1st period: Lethbridge, Craig 1:05; 2, Coleman, McDonald-Tarcon 6:30; 3, Coleman, Belter-McDonald, 7:30; 4, Coleman, Belter 15:40; 5, Coleman, Lee-Kryczka, 16:20.

Penalties—none.

2nd period: 6, Lethbridge, Osmond, 8:30; 7, Lethbridge, Craig 19:40.

Penalties: Coleman, Wiklie 3:50. Coleman, Tarcon (fighting) 13:00. Lethbridge, Betford, fighting at 13:00.

3rd period: 8, Coleman, Tarcon-Kryczka, 10; 9, Lethbridge, Craig 7:30; 10, Coleman, Kryczka-Belter, 9:45; 11, Lethbridge, Craig at 15:40; 12, Coleman, Kryczka - Belter - Biegun, 17:50; 13, Coleman, Kryczka, 18:10.

Penalties: Tomlinis, 16:25.

Coleman 5—Michel-Natal 0

In another exhibition game played in Michel, the Grands downed the Michel-Natal club 5-0 before a small crowd. The scoring was spread out with goals going to Tarcon, Tymchyna, Biegan, Lee and J. Gettman. Missing from the Coleman squad for this match were Kryczka, Belter, McDonald, Scodellano and Stewart. Reinforcements were J. Gettman and A. Liska. During the second period Tarcon of Coleman received a cut above the left eye which required 4 stitches to close.

Summary:

1st Period, Goals — (1) Tarcon, Lee, 14:05; (2) Tymchyna, Tomlinis 18:50.

2nd Period, Goals — (3) Biegan, Lee, 16:40.

Penalties: (1) Gettman, 10:00 (2) Zebbiak, 11:25; (3) Tarcon, fighting, 14:10; (4) Thewlis, fighting 5 min and high sticking 5 min. — in all 10 min.

3rd Period, Goals — (4) Lee (Tomlinis, Flewlich) 15; (5) J. Gettman (Cerney, 18:40).

Penalties — (5) Joyce, 9:05; (6) Joyce, 11:30.

**Coleman Woman
Wins \$50**

Mrs. L. Pauville of Coleman was a winner of \$50.00 cash in the Elks Bingo held in Blairmore. Other winners were:

Mrs. G. Pagnucco — Pop-up Toaster, Mrs. M. North, dinner dishes, Mrs. R. Gilmar, Luggage set, Alex Blas, men's jacket, Mrs. Peggy Vejpava, coffee table, D. Blas, \$50.00 cash, Mrs. G. Meffin, \$50.00 cash, Joe Dnedic, \$100.00 cash, Mrs. H. Giacumuzzi and Mrs. S. Mattson split the other \$100.00 prize.

Door prizes were won by B. Meiers, D. Kroli, J. Uhren, E. Vigna and J. Ocharnais.

**Red Cross Canvassers
Will Be Calling ...
You Serve By Giving**

In a few days time, Coleman's Official Red Cross canvassers will be calling at your door. Let's all help to achieve success in reaching our quota of \$1,000 in this worthy cause. We know Coleman citizens are well aware of the work of the Red Cross and that you will not let the High School student, the Official Canvasser, down. Your generous donation will help the work of mercy to go on. Your donations mean that when the Red Cross is there giving help, you are really there, too.

The annual Red Cross campaign for funds is to support the Alberta Red Cross Crippled Children's Hospital, the Blood Transfusion Service, Junior Red Cross, disaster and emergency relief, and all other programs of Red Cross locally, provincially, nationally, and internationally.

Two instances of the far-reaching services were rendered last year by the Coleman Red Cross Branch with the aid of Calgary, Toronto, and the Swiss Red Cross in locating missing Polish friends for a Coleman resident, and in supplying a much-needed and almost unobtainable medicine for the sick-relative in Hungary of another local resident. As in the following poem, the Red Cross is your ambassador. The donation you give to the Red Cross does so much for you — and so much for the less fortunate.

There Too Go I

Wherever we go the black woes
Of flood, or fire, or famine goes.
There, too, go I!

Wherever strength and skill can bring
Success to human suffering
There, too, am I!

In earth in any quarter quakes
Or pestilence its ravages makes
My help I give!

I am the ambassador for you,
I do what you would surely do.
If you were there!

**Curling Club Holds
Mixed 'Spiel**

Sunday, February 27th the Curling Club held a mixed bonspiel. The event enjoyed by all saw the following rinks win the three events.

1st Event — Spievak rink - skipped by Irvine Spievak and including Mrs. V. Phillips, Ronald Collings and Marie Rokus took first place.

Collister rink - took the second event with Trevor Collister in the skip and including Mrs. F. Bernard, Steve Kibulka and Robert Campbell.

The Upton rink took the third event with Roy Upton as skip. Mrs. R. Campbell, Jack Nash and Mrs. E. Perano making up the rink.

**Surprise Party Held
For Mrs. D. Jenkins**

Prior to leaving for Esquimalt, B. C., some 30 friends of Mrs. D. Jenkins staged a surprise party in her honor Monday evening.

Whist was played by the guests with honors going to Mrs. G. Franz first, Mrs. P. Dunford second and Mrs. I. Wavrecan consolation. Following a lovely luncheon the departing guest was presented with a wine leather travelling case by Mrs. N. Panek who expressed the regrets of the Assembly at Mrs. Jenkins leaving in reply to which Mrs. Jenkins said she was sorry to leave but hoped anyone visiting Esquimalt would call on them.

Two other events were held in Mrs. Jenkins honor prior to her leaving.

The Bridge Club held a social evening at the home of Mrs. R. Goodwin when Mrs. Goodwin on behalf of the members of the Club presented her with a leather filled purse and wished her success in her new home.

The W.A. of St. Paul's United Church called at the Jenkins home Friday evening and presented her with a gift of jewelry on behalf of the Association.

Civic Election Results

37% of the Coleman Voters turned out at the Polls on Monday to elect 2 Council Members and 3 School Board Trustees. Following are the results, X indicates those elected.

Town Council	School Board
Dibblee --- 209 X	Clarke --- 282 X
Wavrecan --- 222 X	Penny --- 247 X
Holyk --- 172	Bayon --- 238 X
	Binda ---120
	Crippen --- 102

(Story in next weeks issue)

**Calgary Skiers In Sweep
At C.N.P. Meet**

BLAIRMORE — (CNP Bureau) — A strong contingent of Calgary skiers, led by smooth Ian Baxter, swept up the lion's share of the laurels at the annual Crow's Nest Pass Ski Tournament here over the week-end.

Baxter flashed down the slopes to victory in both the senior men's Open events to pick up two of the five titles won by the hickory stars from the Stampede City.

A huge crowd of well over 400 watched Baxter win the downhill event with the fast time of 1:08.2 while clubmate Dave Marchant was less than a tenth of a second off the mark at 1:09.2.

Baxter's time in the slalom was a respectable 1:14.6 while Kimberley's Frank Stark flashed through the gates in 1:18.8.

Vai Kay of Coleman won the senior men's closed slalom in 1:28.2 and placed second to Jack Patterson of Blairmore in the downhill run in 1:31.2 and the slalom in 1:35.6.

Patterson also won the closed combined event with 3:06.8 while Kay was second with 3:27.6.

Calgary's other double winner was King Woodside in the Junior men's competition. He swept down the downhill course in 1:07, five and four-tenths of a second faster than Howie Gilbert of Blairmore and won the slalom in 1:18.6 over clubmate Ernie Jones, who made it in 1:26.2.

Howie Gilbert won the Junior men's closed downhill and slalom.

**Home Destroyed
By Fire**

Fire which is believed to have started from an overheated coal heater, completely razed the four room home of John Petrunik a resident of East Coleman at about 4:30 a.m. Friday morning.

The Coleman Volunteer fire brigade rushed to the scene of the fire seconds after the alarm was blown but the home was almost completely destroyed before the brigade was summoned. It is understood that Mr. Petrunik asleep in the home at the time was fortunate to be able to have made an exit. The brigade concentrated their efforts on saving neighboring homes and used their 500 gallon water tank to good purpose doing this work. Fire Chief Aldo Montabetti and twelve fireman attended the blaze.

The four room house was of frame structure and coated with stucco. Mr. Petrunik was able to save only his bedding and one trunk of clothing. All other contents of the home were destroyed in the fire. Some insurance was carried.

**Blizzard Hits
The Pass**

The worst storm of the year hit the Pass area on March 2nd. Although roads were not blocked, they were very slippery and visibility was very poor. On Thursday traffic was almost at a standstill with cars and trucks having the utmost difficulty in proceeding. At Crownsnest Lake traffic was tied up for some time. Some minor accidents occurred with slight damage. Ferstays Bus was in collision with a coal truck on the detour through the Frank Slide. Some cars were in the ditch and required towing services.

**Sports Association
Make Presentation**

The Coleman Community Sports Association held a general meeting on Saturday, March 5th in the Grand Union Banquet Room. General business was discussed with the main topic being the non payment of Dues. There were still some people who had after repeated requests still not paid up. After considerable discussion it was decided to inform these delinquents that their dues of \$3.00 must be paid up in the very near future.

Failure to do so would result in all Sports Association privileges being denied to them and their families. This measure would not apply to unemployed and their families. It was reported that there had been considerable damage done in the rink this year, but owing to the excellent co-operation of the Chief of Police Corson, all of the culprits had been apprehended and compelled to pay for the damages. The financial statement was not read owing to the books being in the hands of the Auditor. The Secretary gave a brief outline of the financial standing, and it showed the Association in fair shape. With no further business to discuss, President G. Jenkins presented Mr. L. Richards with a Kodascope projector in appreciation for the wonderful work and support he had given the Association over the years. Mr. Richards who leaves on March 7th for Ottawa where he is employed by the Department of Mines, has been Secretary of the Association for more years than some of us can remember. Mr. Jenkins went on to state that Mr. Richards had through his efforts saved the Association hundreds of dollars, and that the Town of Coleman would miss him very much. All members present heartily concurred with the President's remarks. Mr. Richards stated that it was hard to leave Coleman and his sports connections but he stated Coleman and its problems would always be utmost in his heart. Mr. R. Spillers moved a most sincere vote of thanks to Mr. Richards, and all members present expressed their best wishes for his continued success in Ottawa.

Meeting adjourned.

Word has been received in Blairmore of the death of Mrs. Simon Senycz, 31, who passed away in a Calgary hospital.

Mrs. Senycz, formerly Olinda Aveledo of Blairmore, was born in Blairmore on December 22, 1904. She attended school in Blairmore and was very well known in the Crow's Nest Pass towns.

She was married to Simon Senycz of Bellevue on July 14, 1945, and the couple have resided there since, where Mr. Senycz operates a truck business. Mrs. Senycz was predeceased by a younger brother and sister in Blairmore a number of years ago.

Surviving are her husband, Simon, two children, Simon, eight, and Carline, three, at Bellevue; her parents, Mr. and Mrs. Luigi Aveledo of Blairmore, and a sister, Mrs. N. Cytko of Coleman. She was a member of the Ladies' Auxiliary to the Bellevue Legion and of the Roman Catholic Church.

Funeral services were conducted from St. Cyril's Catholic Church in Bellevue at 10 a.m. Friday and internment followed in Our Lady of Lourdes Cemetery. Rev. Dean A. Anderson of Blairmore officiated at the services.

**Coleman Midgets
Gain Revenge
On Neutral Ice**

About fifteen carloads of hockey fans left Coleman for Pincher Creek, through almost impossible roads and blinding, blowing snow, to boost the Coleman Midgets to a 4-3 victory over Lethbridge on Saturday, March 5.

This was the re-match game which aroused a lot of interest in town. The two squads had battled before in two games of their 2-game-total goal series. They had played to a 3-3 tie in Lethbridge and Coleman defeated the irrigation boys 4-3 in Coleman in what turned out to be a one-sided referee spree.

The Coleman game was referred by a Lethbridge juvenile, whom, we understand, was slanderous in his remarks concerning Coleman fans, players, and referee.

Lethbridge protested the game and (we wonder how) won the protest. It would seem that the word of a young punk from a city carries more weight with the Alberta Hockey officials than the word of an adult from a small town.

At any rate, sports fans were irked enough by this series to brave high and high water to boost their team. Pincher fans remarked that the Coleman-Lethbridge game was the best seen on their ice all winter.

Coleman took the lead in the first period on goals by Kerr and Liska.

The Lethbridge squad was battered up in their game for the major part of the opening stanza.

In the second frame, however, Lethbridge came to life and tied the score at 2-2.

With the teams battling in such a tight game, there wasn't much to choose in the third period. The local youngsters missed a few chances to pull ahead, but it was not until the 17:10 mark that Cerney added the tie-breaking marker. Churka followed closely with the insurance tally at 17:24 to push Coleman ahead 4-2. During the two remaining minutes, Coleman relaxed and Lethbridge was able to pull within one goal time had run out however, and when the final whistle had blown Lethbridge faced a cheerless drive home — without cause for future protests.

**Coleman Midgets — 4
Lethbridge Midgets — 3**

Summary

1st Period, Goals: (1) Coleman, Kerr (Tarcon, 12:03); (2) Coleman, Liska (Churka, 14:01).

Penalties — (1) Lethbridge — Adachi, 5:00; (2) Lethbridge, Charlesworth, 6:02.

2nd Period — Goals: (3) Lethbridge, Lawrence, 2:51; (4) Lethbridge.

Penalties — Coleman, (3) Gentile 1:44; (4) Coleman, Gentile 10:31.

3rd Period — Goals: (5) Coleman, Corney (Kerr) 17:10; (6) Lethbridge, Curia (Tarcon, 17:24); (7) Lethbridge, Forrest (Drope) 17:44.

Penalties: (5) Lethbridge, Lawrence, 6:32.

**Powerful Labor
Leader, Once Of
Michel, Passes**

WASHINGTON, — (AP) — John T. Jones, 66 a top official of the United Mine Workers Union and close adviser of U.M.W. president John L. Lewis, died Thursday at Emergency Hospital. He once lived in the Crow's Nest Pass.

Death was attributed to a blood clot.

Jones, director of labor's Non-Partisan League, the U.M.W.'s political and legislative branch, was suffering from a heart attack and other complications following a series of operations.

Since 1940 Jones had been director of the U.M.W.'s district No. 16 comprising the state of Maryland and the northern portion of West Virginia. He was a member of the union's international executive board.

Born in Wales in 1888, Jones went to work as a coal miner at 13, served for a time in the British Army, and became a coal miner in Michel, B.C.

Questions, Answers On Unemployment Ins. and Employment

In this column we publish questions about unemployment insurance and employment, together with answers received from the Unemployment Insurance Commission.

Following are some questions with answers which may be of interest to you.

Q. I would like to have some information on unemployment insurance. Here is my case: I am going to get married this winter. I have worked in a plant for many years. My boss has advised me that I will have to leave my job three weeks before my wedding. We are going to Florida on our honeymoon and will be gone approximately one month. When must I call at your office to receive insurance benefit? Will I be able to get it on returning from my trip? Or will I be disqualified and unable to receive it because I will have been gone a month? Will I be required to work after my return to be able to receive benefit? If so, how long?

A. You indicate that you are being discharged by your employer because it is his policy not to keep women in his employ after marriage. If this is so and if you are subsequently unemployed and make a claim for benefit, the fact that you are married will not make any difference to your entitlement to benefit. However, you cannot qualify for benefit unless you make an actual claim and show, like any other claimant, that you are unemployed, ready and able to take employment and unable to find suitable work. You will see from this that you will not be able to get benefit for the time you are away on your holiday, as during that period you will not be available for employment.

Q. How many days' work do I have to have to get supplementary benefit? What is the most number of days I can draw supplementary benefit?

A. You can qualify for supplementary benefit (1) if you have worked in insurable employment for at least 90 days since last March 31, or (2) if you had a previous claim which expired since March 31. The maximum number of days for which you could draw supplementary benefit is for the number of working days between January 1 and April 15, which is 15 weeks or approximately 90 working days.

Q. I have been working for one year. Would I be entitled to benefit should I be laid off on account of a shortage of work? My wife runs a restaurant under her own name?

A. If your work was in insurable employment you would probably have the necessary number of contributions to qualify for benefit. You would have to show in addition that you were unemployed and willing and able to take suitable employment and unable to get suitable work. Your wife's work in connection with her restaurant would not prevent your qualifying for benefit, but if you have any duties in connection with the restaurant this might have a bearing on your claim.

Q. I have just recently left my work to look after my husband who is sick. Can I, during my husband's illness, receive unemployment benefit?

A. No. To qualify you must show that you are able and willing to take employment if offered. You could not do this in your present circumstances.

Q. I have received an increase in salary putting my income over \$4,800 a year. Since I have been insured, I wish to continue with unemployed insurance. Can my employer refuse to pay his share of the contributions?

A. Yes. Your employer can require you to pay both shares if you elect to remain an insured person after going over the ceiling of \$4,800.

Q. Can a person who has never been insured under unemployment insurance apply for a job at your employment Office?

A. Yes.

Q. I didn't pay any unemployment insurance contributions since last March because I worked for the provincial government for a few months and then was self-employed. I am unemployed at the moment. Can I receive any supplementary benefit during January, February and March?

A. No. To qualify for supplementary benefit you must either have worked in insurance employment for at least 90 days since last March 31 or have had a benefit year which expired since March 31.

Q. Would you please give me a list of the persons I can claim as dependents so I can get a higher rate of benefit?

A. The dependency rate of benefit is payable to a claimant who has one or more dependents. The number is immaterial. A person who is a dependent is (1) a person whose wife is being maintained wholly or mainly by him; (2) a married woman who has a husband dependent on her; (3) a person who maintains wholly or mainly one or more children under the age of 16 years; or (4) a person who maintains a self-contained domestic establishment and supports therein, wholly or mainly, a person connected with him by blood relationship, marriage or adoption.

Canadian Forestry Assn. 1955 Poster Contest

In connection with Forest Conservation Week, May 22nd - 29th, inclusive, and the Golden Jubilee of the Province, the Canadian Forestry Association, Prairie Provinces Division, is again holding a poster competition open to school pupils. This contest will be divided into separate junior and senior competitions, the junior open to grades five to eight, the senior for students attending High School. Duplicate prizes will be awarded to the winners in each group.

The poster should be designed to point out and emphasize the importance of our forests in the life of the people in the Province. The need for every person to assume greater personal responsibility in making sure they are protected from fire. Each year over 80% of all forest fires are caused by human carelessness. Campers, settlers clearing land, vacationists, hunters and fishermen, are the major offenders.

However, as this is the Golden Jubilee Year, the poster could be designed to show recognition of this event. The Jubilee Year provides the opportunity for all of us to look back on what has been accomplished, while looking ahead to further progress. With this in mind the 1955 poster could embrace the contribution of trees to the people of the Province, not only as forests, but when used as shelter belts on the open prairie, or lending protection and conserving moisture for our farm lands in the parkland belt, lying between the open plains of the south and the forest areas of the middle north.

This will allow a great deal of leeway in making the poster and should promote imagination and ingenuity in its design. It should be kept in mind that the poster should depict the part forests or trees play in our lives, pointing out their advantages, encouraging their use and protection. The poster can therefore embrace and encourage the part trees play in the life of every resident, anywhere in the Province.

The co-operation of the Art Teacher is sought in having the poster arranged to allow economical reproduction. It should not contain too many words, or have too many colours or detail in the illustration. A short message or slogan is desirable. Originality is to be encouraged. Copies of professional posters cannot be accepted.

Posters should be on suitable paper which permits strong colour contrasts, not less than 9 x 12 inches, and not more than 22 x 28 inches in size. Pupils will print their name, school and address, on the lower right hand corner on the back of the poster.

A maximum of five posters may be permitted from each school, or a total of ten posters, if the school contains both senior and junior divisions. These must be in the hands of the Canadian Forestry Association not later than May 1st, 1955. The Association does not undertake to acknowledge the receipt of posters, the winners only being notified. Prizes will be presented, if possible, during Forest Conservation Week.

All posters submitted become

the property of the Canadian Forestry Association. Posters will be judged by a panel of at least three Judges, whose decision will be final.

Each division will receive the following prizes: 1st prize - \$25; 2nd prize - \$15.00; 3rd prize - \$5.00 and ten honourable mentions to receive one year's subscription to Forest & Outdoors, the official magazine of the Canadian Forestry Association.

Boost In Federal Aid Urged

EDMONTON (CP) — Alberta Labor Minister Willmore said Friday in the legislature that increased federal subsidies are the only current answer to western coal mining problems.

Speaking in the throne speech debate, Mr. Willmore said the industry's problems must be solved on the national level. The federal government must decide whether the western coal industry will be preserved or allowed to decline to a place of no importance in the Canadian economy.

He said the western coal industry received \$25,000,000 of the \$61,000,000 paid out in coal subsidies in the last 25 years by the federal government.

But on the other hand, the se-

nior government received \$287,000,000 in the same period from duty on United States coal.

Mr. Willmore didn't see increased subsidies as a long-term solution to the industry's problems, created by loss of markets. But it would help keep mines in a workable condition.

Dealing with the work of a committee set up last year to help rehabilitate unemployed miners, the minister said 486 unemployed miners registered with 384 being placed in other employment. Eighty remain unemployed.

MAIN PROBLEM

The committee's main problem, not yet solved, was the older miner who has never done any other type of work. Most of the 80 unemployed were in the 50-60 age bracket.

COAL

In common with other coal-

producing areas of the continent, the Alberta coal industry continued to lose markets to other fields. Coal production in 1954 was 4,859,136 tons, a decrease of 1,058,287 tons from the production of 5,917,423 tons in 1953. Several of the larger mines have discontinued operation and a committee is aiding in the absorption of miners into other industries.

INDUSTRIAL DEVELOPMENT

New industries under construction, or completed, totalled 24. The cost in 25 year period the Federal Government averaged per year \$1,000,000 in coal subsidies paid to Western coal industry. While Eastern Coal Operators received \$1,400,000 per year.

On the other hand the Federal Government received in duties on U.S. imported \$11,480,000. The net

profit that the Federal Government received per year for the last 25 years comes to \$9,040,000.

Collapses While Shovelling Snow; M. Kubik Dies

BLAIRMORE — Crow's Nest Pass residents were shocked Thursday afternoon to learn of the sudden passing of Martin Kubik, 43-year-old son of Mr. and Mrs. Martin Kubik of Blairmore.

Mr. Kubik had taken his son out to deliver papers during the noon hour when his car became stuck in the snow near a house in the north part of town. Mr. Kubik got out of his car and began to shovel the car out of the snow when he collapsed on the road. His young son Martin immediately ran into the Vanoni home nearby for help and Mr. Kubik was taken into the Aldo Vanoni home by neighbors who had gathered in the sub-zero weather.

Dr. R. G. Stewart of Blairmore was immediately summoned and pronounced Mr. Kubik dead.

Mr. Kubik was born in the village of Frank, December 11, 1912, and attended school at Frank for some time, later moving to Blairmore with his parents. On completion of his school he left Blairmore at the age of 17 and proceeded to Chicago where he lived with an aunt, Mrs. W. J. Brennan for a time until he married. He remained in Chicago for 18 years where he was foreman in a packing plant.

He returned to Blairmore about seven years ago and for two years worked for the Alberta Brewers driving a truck, after which he went into the trucking business on the coal strip mine haul where he had been employed until the time of his death. He was a member of St. Anne's Catholic Church and also a member of the Blairmore branch No. 7 of the Canadian Legion.

Surviving are his wife Frances, one daughter Dolores and two sons Martin and Ronald attending school in Blairmore, and by his parents, a brother Joe at Coleman and two sisters, Mrs. Annie Sygulek of Coleman and Mrs. Josephine Pietrosko of Blairmore.

Juveniles Trounce Michel-Natal 9-4

Playing a completely new brand of hockey, and the kind that should make all sports fans feel good, the Coleman Juveniles walked over Michel-Natal 9-4 here before a small crowd on Sunday, March 6.

Not only did they "bad boys" play better hockey, they appeared with shining faces, clean hearts, and stayed away from the sin-bin for the entire game. A combination of fast ice, well-tuned plays and concentration on the puck and not the man, gave the boys an easy win. They led 3-2 at the end of the first period, 6-3 and the end of the second and 9-4 at the end of the game. Big Guns for Coleman were Gemblish with 3 goals and an assist and Makowichuk with 3 goals. Singletons went to Forster, Nowasad and Summanik. Michel-Natal goals went to Doolin, Lalone, Turlik and Fabro.

If the boys play this brand of hockey in future years, we want to be around to watch them.

Summary:

1st Period, Goals — (1) Coleman, Makowichuk (Poster 6:35); (2) Coleman Zembiak (Tarcon, 11:30); (3) Michel-Natal, Doolin, 13:30; (4) Coleman, Poster, 16:15; (5) Michel-Natal, Lalone, 18:30. Penalties — (1) Michel-Natal, Joyce, 5:45; (2) Michel-Natal, Lalonde 6:15.

2nd Period, Goals — (6) Coleman, Zembiak, 11:05; (7) Michel-Natal, Turlik, 15:20; (8) Coleman, Nowasad, (Poster, 17:55); (9) Coleman, Zembiak (Summanik and Tarcon) 19:30.

Penalties — None.

3rd Period — Goals, (10) Coleman, Makowichuk (Tymchyshyna, 1:20); (11) Coleman, Summanik (Zembiak and Tarcon, 2:45); (12) Michel-Natal, Fabro, 16:25; (13) Coleman, Makowichuk (Tymchyshyna, 18:45). Penalties — (3) Michel-Natal, Galsgow, 19:30.

Hunters Need Farmer's 'Yes'

EDMONTON — (CP) — A Social Credit backbencher's motion urging the provincial government to make it an offence to carry firearms on private property without the resident's consent was approved Tuesday by the Alberta

legislature, despite the objections of Lands Minister Casey.

Thirteen speakers took part in the two-hour debate, part of private members' day. The motion was approved 28-17 with Mr. Casey, Public Welfare Minister Jorgenson and Labor Minister Willmore among those in opposition.

The motion was presented by J. R. Clark of Stettler who said farmers have suffered aggravation and financial loss because of hunters who violate the code of decency and ethics.

An amendment to the motion, requesting it be made an offence for a landowner or resident to attempt to sell or rent hunting rights, was added, though this is already covered under the provincial game laws. The amendment was introduced by opposition leader J. Harper Prowse.

Mr. Casey said it is not possible to legislate better relations between hunter and farmer. The problem is varied throughout the province. Farmers asked hunters to shoot ducks when crop damage was being done by the birds but when the pheasant season opens the farmer posted "no hunting" signs.

William Kovach (SC) - Pincher Creek - Crow's Nest, opposed the firearms motion. He said the legislation would create a greater nuisance for farmers and hunters than now exists. It would be a hindrance to big game hunters in his areas.

To Honor Frank Leavitt

BLAIRMORE — The Blairmore Lions Club have this week announced that the Club will sponsor a project in the immediate future proceeds from which will be used for the purchase of a much needed resuscitator for Crownstee Pass use in case of emergency. The expensive instrument will be donated to the Blairmore Fire Department and will be in memory of the late Frank Leavitt who passed away here recently and was an active and esteemed member of the local Lions Club.

The Lions plan to raise the funds for this worthy project by staging two shows which will feature George Haddad of Cranbrook, B.C. who is better known by his stage name as "Haddad the Magician and Hypnotist". The shows will be held in Blairmore in April or May and date of the shows will be announced as soon as arrangements are completed.

Leave To Reside At Coast

Mrs. Douglas Jenkins and three sons James, William and Donald left Wednesday for Esquimalt, B.C., to join Able Body Seaman D. Jenkins who is stationed there with the Canadian Navy.

Mr. Jenkins was born in Coleman and joined the Navy in 1941. He was discharged in 1947 when he returned to Coleman with his family. He worked as a fuel sampler for the C.P.R. until 1954 when he rejoined the navy and was stationed at H.M.C.S. Cornwallis at Halifax, Nova Scotia. He was transferred to Esquimalt, where he is taking a Radar Course.

Mrs. Jenkins comes from Edmonton and was a member of the Curling Club, the Women's Association of St. Paul's United Church and the Bridge Club. Mr.

Aldoff - Egger Wedding

Southminster United Church in Lethbridge was the scene of a pretty wedding recently when names were exchanged between Michael Aldoff Jr., son of Mr. M. Aldoff of Coleman and Marlene Egger daughter of Mr. and Mrs. C. Egger of Lethbridge.

Reverend F. Chubb officiated while Mr. A. Pulland was organist. The bride given in marriage by her father wore a gown of cocktail length in chantilly lace and nylon tulle over taffeta with a lace bolero. Her illusion net veil cascaded from a half hat. Her white Bible was overlaid with a bouquet of red rose buds.

Mrs. R. Egger as Matron of Honor chose a frock of yellow tulle over taffeta with a matching veil and yellow daffodil corsage.

Best man for the event was James Rowe while Raymond Egger ushered the guests.

Following the ceremony a reception was held at the home of the brides parents. Mrs. C. Egger mother of the bride chose a navy wool jersey dress with matching accessories and red rose corsage. Assisting as servers at the reception were, Miss C. Egger, Mrs. F. Bates and Mrs. E. Stettner.

The couple will take up residence in Lethbridge.

Alberta Teachers' Assn. Nominations

Nominations of candidates for election to the Executive Council of the Alberta Teachers' Association have been released by officials of the Alberta Teachers' Association.

G. S. "Joe" Lakie, vice-president of the ATA will be the Association's president by acclamation. Mr. Lakie is principal of Fleetwood School in Lethbridge and is now serving his fourth term as alderman in that city. A past president of the Alberta Tuberculosis Association, Mr. Lakie has been active in Y.M.C.A. and service club activities in Lethbridge for many years. Mr. Lakie will succeed Frank J. Edwards of Edmonton at the Association's Annual General Meeting to be held in Edmonton commencing April 11.

Elected vice-president by acclamation will be H. J. McKim Ross of Edmonton. Mr. Ross has been a member of the Executive Council for Edmonton District during the past two years. He is president of the Montgomery Branch of the Canadian Legion in Edmonton and is also a member of the Edmonton Hospital Board.

Ines K. Castleton of Calgary has also been elected by acclamation as representative for Calgary City.

Candidates for election in other geographic districts will be Ken W. Bride of Iron Springs; Robert B. McIntosh of Taber; and O. D. Steed of Cardston; for Southwestern Alberta.

Members of the Executive Council who will serve the second year of their two year term are Dorothy Benjamin of Hanna, representative for Southeastern Alberta; Donald A. Prescott of Red Deer, representative for Central West Alberta; and William D. McGrath of Peace River, representative for Northwestern Alberta.

Voting in the district elections will be conducted by mail ballot of the Association's membership. Results will be announced on Wednesday, April 13.

Dangerous Performance

Children in the last week have been observed performing dangerous habits. Parents are warned that these habits can and may cause serious injury to these children, and should warn the children not to continue. On Sunday children were observed sleigh riding down the hill from the overpass on No. 3 Highway as far as the Coleman Cafe. Streets were very slippery and a car driver would have no chance of stopping in time to avoid hitting these children. Another case is children holding onto the backs of Coal Trucks and sliding, another of being on bicycles and being towed by trucks.

Playing on the streets at this time of the year can result in serious injury or even a fatality. Keep the children safe, and drivers hair from turning grey. Play where it is safe.

Advertising...

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel — proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

Coleman Man Buys Business

BLAIRMORE — The Crownest Bottling Works in Blairmore has this week changed hands and will as of March 1st be operated by William "Bill" Fraser of Coleman and Frank Vajprava, mayor of Frank. The transportation was made last week-end and the business, stock equipment and trucks were purchased from Ernie Basso of Blairmore.

Mr. Basso, has operated the business for the past ten and one half years and had taken over the business from Mark Sartoris new of Kelowna, B.C., who started the thriving business in 1939. Mr. Basso born in Trail, B.C. after graduating from high school there was employed with the C.M.&S. and remained in their employ on the office staff for twenty years spending ten years of this time in Kimberley, B.C. prior to his coming to Blairmore in October 1944. While here "Ernie" has taken an active part in community affairs being the secretary of the Crows Nest Ski Club, vice-president of the Blairmore Board of Trade and at present being the President of the Alberta Bottling Association to which position he was appointed last October. Mr. Basso will leave for Quebec City on March 11th to represent the Alberta Bottlers at the Canadian Bottlers Convention to be held in that city. Mr. Basso is married and has one son Mark attending the Convent at Pincher Creek. He will remain here for one month to assist the new owners in their new venture after which he will go to Cranbrook, B.C. where he has purchased the Sekirk Softdrink Company. Mr. Basso stated that the Crownest Bottling Works will supply the east half of this district with soft drink while his concern will supply the West half of the Territory which extends west from Fernie into British Columbia. The Crownest Works will supply from Fernie, B.C., east to Brocket and the Waterton Lakes district.

Mr. Fraser was born in Coleman and attended school here and after graduating he became employed by the International Mine of the Coleman Collieries where he worked his way to general manager of the mine during the period of twenty two years. He is also a partner in the Little Chief Service Station at Coleman. Mr. Fraser is married and has one daughter Gloria and two sons Barry and James all at home. During his many years in Coleman "Bill" has taken an active part in community affairs as well as sport being extremely well known in hockey circles, soccer, baseball and tennis circles. He has also played a leading role in organizing and working on the Annual Coleman Rodeo Committees. Mr. Fraser plans to reside in Coleman at the present.

Mr. Frank P. Vajprava was born in Czechoslovakia and came to Canada with his parents at the early age of four. After a very short stay at Hosmer, B.C., the family moved to Frank where Mr. Vajprava attended school.

He had worked for the Sartoris Lumber company for 27 years and was a foreman while in that employ. He later became employed with the Hillcrest Mohawk Collieries and is one of the parties responsible for having found the coal beds for the Tent Mountain Strip mine. Five years ago he became employed with the Blairmore Iron Works as a foreman and has held this position until the present time. Mr. Vajprava is at present the Mayor of the Village of Frank and has served the community in this capacity for three, three year terms. He has also acted as chairman of the Frank School Board. He was one of the former members of the well known Blairmore Bearcats hockey team.

Both Mr. Fraser and Mr. Vajprava will work in the Bottling works and have stated that being in charge of a smaller territory than before they plan on improving the former service.

Alta. Govt. Increases Aid To Schools And Hospitals

The largest departmental appropriation is for the department of Education where provision is made for expenditures totalling \$34,411,365 or 28.27 per cent of total estimated expenditures. This is an increase of \$12,073,255 over last year's appropriations of \$22,338,110.

To reduce the heavy burden of school costs to municipal ratepayers and to make possible more uniform rates of school taxation

throughout the province, total school grants have been increased by \$11,600,000 to a total of \$29,360,000, not including the government's contribution to the teachers' retirement fund. Of this total, \$18,160,000 will be distributed as operation grants in accordance with a revised operational school grant formula. \$4,500,000 has been allocated to a new school tax-reduction subsidy grant.

Must Cut Requisition

This new additional grant will be paid to districts and divisions where the requisition upon municipalities this year is less than the requisition in 1954, and where for operational purposes the 1955 requisition does not exceed a rate of 25 mills on the current assessment. Over and above this rate grant—within certain limitations, further sums may be requisitioned for capital expenditures and to recover deficits incurred in former years. When these conditions have been met, the tax reduction subsidy grant payable in each case will be an amount not exceeding the difference between 25 mills and the 1954 requisition rate on current assessment, subject to certain adjustments for deficits and capital expenditures out of current revenue during 1954.

It is anticipated that the school rates for operational purposes will closely approximate 50 per cent of the aggregate operating costs of all school boards throughout the province during the ensuing year. As a matter of policy, the government will undertake to augment operational school grants by \$2,000,000 annually for the next five years, in order that the reduced rates of school taxation of municipal ratepayers made possible by the very substantial increases provided now may be maintained and stabilized in the future.

As already stated, \$4,500,000, an increase of \$1,000,000 over last year, has been provided for capital grants for new school construction.

Hospital Grants Up

To further assist municipalities in meeting the cost of hospital and medical services, hospital grants have been increased from 70 cents to \$1 per day. Grants to local authorities have been increased from 50 per cent to 60 per cent of the necessary cost of providing hospital services. In keeping with the policy of subsidizing essential public health services and bringing them within the financial reach of the largest possible number of people, the government is requesting legislation during the present session whereby the government will be authorized to enter into agreements with medical services, incorporated, and or insurance companies, under which the government will bear approximately one-third of the cost of medical services insurance policies which will be offered to all residents of the province on a voluntary basis.

Legion News

Polio Campaign Result — Mr. J.O.C. McDonald, Chairman of the Canadian Legion, Coleman Branch Polio canvass, reports with all proceeds in that the canvass netted \$803.50. This figure is down from 1954 campaign, but it had far exceeded the expectations of the committee, owing to the trials and tribulations suffered by Coleman residents during the last year, your Legion extends its sincere thanks to all for the wonderful support rendered to this wonderful cause. Mr. McDonald is also to be congratulated along with his committee for a job well done. We say "Thank you All".

The winners in the Bingo held on Friday, March 4 were Mary Clark, Rose Moore, Laura Trots (2), Bert Knight, Mrs. Tony Lorenz, Johnny Morrison, Ellen McDonald and Jackpot consolation went to Magnus (Squeeze) Juhlin.

The Jackpot has now gone to 63 numbers. And all Legion Auxiliary members, along with their guests will have another chance on March 18th to beat Mr. Bingo. Movies for March 10th will be the N. F. B. Travel Film of Ontario plus shorts etc.

The Ladies Auxiliary to Canadian Legion have issued an invitation to all Legion members to attend their 19 Birthday Party being held in the new Elks Hall on March 19th. Now fellows come on and bring your wives, and don't forget the time and place.

Have you cheered up the Secretary Manager yet by paying your dues? If not do it before March 15 the deadline. He always smiles when he gets money make him smile.

Sincere Thanks

I wish to take this opportunity of extending my sincere thanks to all those who supported me and worked on my behalf at the recent School Board Election held last Monday.

STEVE PENNY.

Many Thanks

I would like to take this opportunity of extending my thanks to all those who supported me, or in any way helped on my behalf at the recent Civic Elections for Councillors.

JOHN HOLYK.

Thanks

I wish to extend my sincere thanks to all those that lent their support and voted in my behalf in the recent School Board Election held at Coleman, Monday, March 7th.
